## GREGORY S. SCHEIFERSTEIN JOINS SNELL & WILMER'S INTELLECTUAL PROPERTY AND TECHNOLOGY PRACTICE

**PHOENIX (August 30, 2018)** – Snell & Wilmer is pleased to announce that [Gregory S. Scheiferstein](#) has joined the firm's Phoenix office as an intellectual property and technology associate.

Scheiferstein has a diverse practice in intellectual property law. He leverages his experience as an inventor on three patents related to jet engine components to effectively assist clients in a variety of technologies. His experience includes providing IP counseling, as well as patent, trademark and copyright drafting.

Gregory S. Scheiferstein

As a registered patent attorney, Scheiferstein has experience preparing and prosecuting patent applications in a variety of technological areas, including engines, mechanical structures, electrical systems, boat structures, chemical formulas and coatings, software and blockchain technology. Scheiferstein also works with clients to develop and implement website terms of use and privacy policies.

Prior to joining the firm, Scheiferstein was a design engineer and structures engineer for United Technologies Corporation subsidiary Pratt & Whitney. He received his J.D. from the University of Connecticut School of Law and his B.S. in Aeronautical Engineering from Ohio State University.
