SNELL & WILMER CONTINUES PARTNERSHIP WITH ORANGE COUNTY UNITED WAY WITH THE 2018 UNITED WAY CAMPAIGN

ORANGE COUNTY (June 7, 2018) – Snell & Wilmer is pleased to announce the continued partnership with [Orange County United Way](#) through the Snell & Wilmer 2018 United Way Campaign. This year's campaign raised nearly \$40,000 in support of OC United Way.

This week-long fundraiser is an annual event in the Orange County office with participants ranging across the entire office. The events scheduled throughout the campaign bring the office together to raise money for the community. This year's event schedule included a ping pong tournament, the Snellympics, a master painting class and a pie in the face raffle.

Orange County United Way was established in 1984 through the merger of seventeen local, independent United Ways entities. In 2014, they launched "FACE 2024", a 10-year collaborative, communitywide action plan to change the future for the next generation of residents. The plan calls to mobilize local businesses, community organizations, governmental agencies and individuals to make a long-term measurable difference in the lives of local individuals and families.
