

SUPER LAWYERS 2013 RECOGNIZES 96 SNELL & WILMER ATTORNEYS

Also Names 45 Firm Attorneys to the 2013 Rising Stars List

PHOENIX (August 12, 2013) – Snell & Wilmer is pleased to announce that 96 attorneys from eight of the firm’s locations have been selected for inclusion in the 2013 *Super Lawyers*® publication.

Super Lawyers is a listing of lawyers from more than 70 practice areas who have attained a high-degree of peer recognition and professional achievement. The selection process is multi-phased and includes independent research, peer nominations and peer evaluations. *Super Lawyers* was first published in 1991 by Law & Politics and was acquired by Thomson Reuters, Legal in February 2010. Thomson Reuters is a leading source of intelligent information for businesses and professionals.

The firm also announced that 45 attorneys from eight of its offices were selected for inclusion on the 2013 *Rising Stars* list. The selection process for *Rising Stars* is the same as the *Super Lawyers* selection process except that to be eligible for inclusion, a candidate must be either 40 years old or younger or in practice for ten years or less and candidates do not go through the peer evaluation by practice area. While up to five percent of the lawyers in the state are named to *Super Lawyers*, no more than 2.5 percent are named to the *Rising Stars* list.
