Main Bio

Tyler Wolf focuses his practice in intellectual property. Prior to joining Snell & Wilmer, he was a part of United States Patent and Trademark Office Patent Experience Externship Program where he received training in patent examination procedure by the USPTO. Tyler is a registered Patent Attorney with a concentration on patent preparation and prosecution in the areas of mechanical systems, automated processes and chemical compositions and processes.

Tyler's experience with intellectual property also includes assisting clients with trademark prosecution, patent & trademark enforcement, and intellectual property audits. He strives to protect and preserve the intellectual property rights of his clients in today's fast-paced knowledge-based economy.
