Main Bio

With a background in construction management, general contracting, and civil and environmental engineering, Laurie Choi provides clients with practical and strategic solutions for real-world construction issues. Laurie counsels clients through construction contract drafting and negotiation, resolution of disputes arising from construction projects, legal advice for providing construction services, filing and bonding around mechanic's liens, and other construction concerns. Laurie obtained her Nevada General Contractor's License in 2009. She now focuses on the practice of law in both Colorado and California.

Representative Experience

- Represented an ENR Top 50 design builder in complex litigation matter with design subcontractor venued in U.S. District Court
- Represented a national general contractor in project closeout and dispute resolution for multiple 250+ unit apartment complex projects, including several actions venued in Colorado District Court
- Drafted and negotiated prime agreements on behalf of general contractors with project values upwards of \$70 million using AIA, DBIA, EJCDC and custom forms
- Drafted subcontract forms for several national general contractors and negotiate subcontracts for projects in Colorado
- Drafted and negotiated agreements on behalf of a Fortune 500 resort and entertainment owner for the design and construction of a \$1.3 billion resort and an \$800 million resort. Agreements included Architect, Design Consultant, Engineering, General Contractor, Trade Contractor, various consulting, Construction Manager at risk, FF&E, Extension of Staff, Master Services, DAS, and Commissioning Agreements. Also assisted in revising the project's safety manual and internal procedures manuals. Worked with the company's risk management department to analyze construction and contracting-related risks
